Job Title: Sewer Department Operator

Location: Hamburg Pennsylvania

Salary: TBD

Job Type: Full-Time

Description:
The Hamburg Municipal Authority Sewer Department is seeking a skilled and motivated Sewer Department Operator to join our team. The ideal candidate will be responsible for the operation, maintenance, and repair of the Borough's sewer systems to ensure safe and efficient wastewater management.

Key Responsibilities:

- Operate and maintain sewer pumping stations, lift stations, and related equipment
- Perform regular inspections of sewer lines, pumps, and equipment
- Troubleshoot and repair mechanical and electrical issues
- Respond to emergency calls and provide on-site repairs
- Operate various tools and heavy equipment, including backhoes, trucks, and vacuums
- Adhere to safety protocols and environmental regulations
- Complete maintenance reports and documentation

Qualifications:

- High school diploma or GED (required)
- Experience in sewer operations or a related field is preferred
- Knowledge of wastewater treatment systems, pumps, and machinery
- Ability to work in all weather conditions
- Strong problem-solving and mechanical skills
- Ability to work on-call, weekends, and overtime as needed

Benefits:

- Health Insurance, Retirement Plan, Paid Time Off, etc.
